Australian Public Health Conference

*'Transforming healthier futures:
systems, solutions and solidarity'*

Tuesday 15 to Thursday 17 September 2026

**Nyaal Banyul Geelong Convention & Event Centre,
Wadawurrung Country/Geelong, VIC**

VICTORIA

About the Conference

Dear Potential Sponsor,

The Public Health Association of Australia (PHAA) and the Conference Advisory Committee invite you to consider sponsoring the [Australian Public Health Conference 2026](#) to be held on Tuesday 15 to Thursday 17 September 2026 at the Geelong Convention Centre, Wadawurrung Country/Geelong, VIC.

The 2026 Conference theme is: **“Transforming healthier futures: systems, solutions and solidarity”**.

Australia and the world face complex, interconnected public health challenges: widening inequities, climate pressures, digital transformation, commercial influences, and strained health systems. **Meeting these challenges will require more than isolated actions.** It demands systems change, genuine transdisciplinary collaboration, bold innovative solutions, strong political commitment and solidarity across sectors, communities and borders.

This year’s conference theme, ‘Transforming healthier futures: systems, solutions and solidarity’, calls on the public health profession to reflect critically on what is no longer working, and to imagine and build what comes next. How do we redesign systems to better promote prevention, wellbeing and health equity? Which solutions are delivering meaningful, equitable change? And how do we strengthen trust, diversity, collective action and social cohesion in an increasingly fragmented world?

We invite researchers, practitioners, policymakers, students and community leaders to come together to share evidence, challenge assumptions, and learn from lived experience. Through dialogue, debate and imagination, the conference will spotlight practical innovations, policy and practice solutions and partnerships that can reshape the conditions in which people live, learn and work, now and into the future. Together, we will explore how public health can move toward shaping healthier, fairer futures for all.

Sponsorship of the event offers a strategic opportunity to be part of this collective movement and demonstrate your organisation’s support to public health and to associate your brand with thought leadership, sector networking and partnership development.

The PHAA team is committed to working with sponsors to match sponsorship packages to the strategic objectives of your organisation to ensure you are satisfied with your involvement and return on investment. We would be delighted to discuss these promotional opportunities or any further ideas you may have for promoting your products or services.

We look forward to working with you.

Kind regards,

Adjunct Professor Terry Slevin
Chief Executive Officer
Public Health Association of Australia

About the Conference

Sponsorship packages

Conference Objectives

- Create a safe environment for knowledge sharing, collaboration and relationship building
- Promote and celebrate public health
- To create an understanding of the past, present and future public health issues
- Create an inclusive and culturally safe environment with opportunities to discuss issues of diversity, disability and accessibility, and provide an equal opportunity to be part of the program and public health discussion
- Deliver latest research, program implementations and workforce developments
- Showcase new developments in advocacy in public health through keynote speakers
- Showcase leadership in public health from established and emerging leaders
- Highlight the activities of the PHAA, including state and territory branches and special interest groups, and encourage delegates to work together to achieve better health outcomes for Australians
- Invest in the next generation of public health leaders through dedicated early career and student mentorship, visibility, and professional growth

Delegates Profile

The conference brings together professionals and students working across educational institutions, health agencies, associations, organisations and clinical health settings, including health administration and promotion officers, public health peak bodies, educators, planners, researchers, policy makers, scientists, doctors, nurses and allied health professionals operating locally, regionally, nationally and globally.

Students and early career professionals are also actively encouraged to participate and present, recognising their vital role in shaping the future of public health.

Engagement Opportunities

Sponsoring and/or exhibiting at the Australian Public Health Conference 2026 offers the opportunity to:

- Demonstrate your organisation's support of public health;
- Promote your organisation and products to delegates;
- Increase brand awareness with an engaged, relevant and influential audience; and
- Network and build new relationships with key industry figures.
